In this period of time our society is faced with many frustrations and social problems. This book is a clear reflection of the most aware, most matured generation in the history of the world — a world which we have inherited filled with violence, pollution and desperate dying elders.

In it you will find the lives we've lived, the things we did, and the words we said. You will learn the feelings we felt and the thoughts we had. You will witness the many things which happened to us during the year.

However, the year was only a mere fraction of the lives we lived and the journey we took.

We have begun our journey since our first days as students at Bloomington High. These are our lives and this is our story . . .

We are ready to set forth on the final step of our journey . . . searching for a way to bring us all closer to home . . .

Like any other type of journey separated by time — together it makes the 1972-73 school year. With this in mind one is ready to begin the journey through the 1973 Bruin Yearbook. A journey that will someday bring us all — closer to home. . . . .

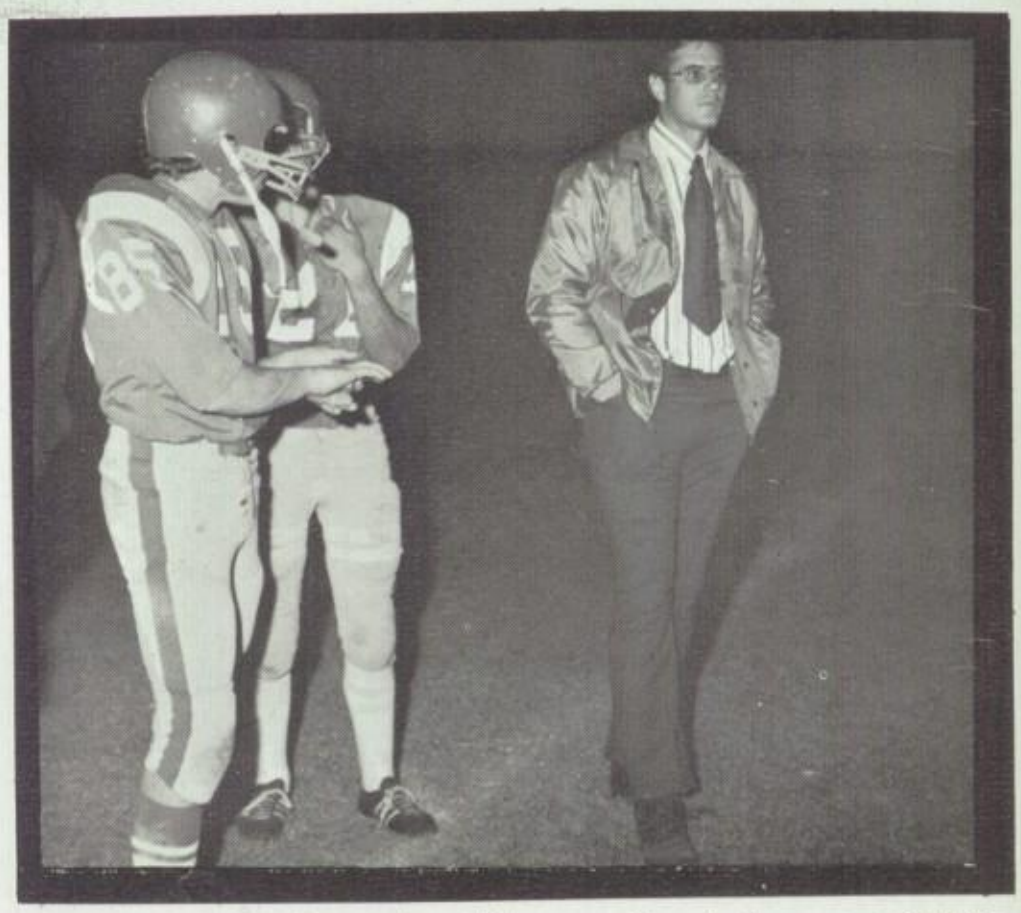
1973 Dedicatee Paul Russell

The annual staff this year is honored to dedicate the '73 Bruin to a man who has been at Bloomington High for the last five years. In these five years he has not only taught but has coached our Varsity football team to its best season in years. But the most important fact about him is that he's not only a teacher, but a friend. No matter how busy he is, he'll always find time to help students with their problems no matter how small.

On behalf of the annual staff we are proud to dedicate this year's '73 Bruin to Mr. Paul Russell.



"I am not a teacher: only a fellow traveller of whom you asked the way.

"I pointed ahead—ahead of myself as well as of you."

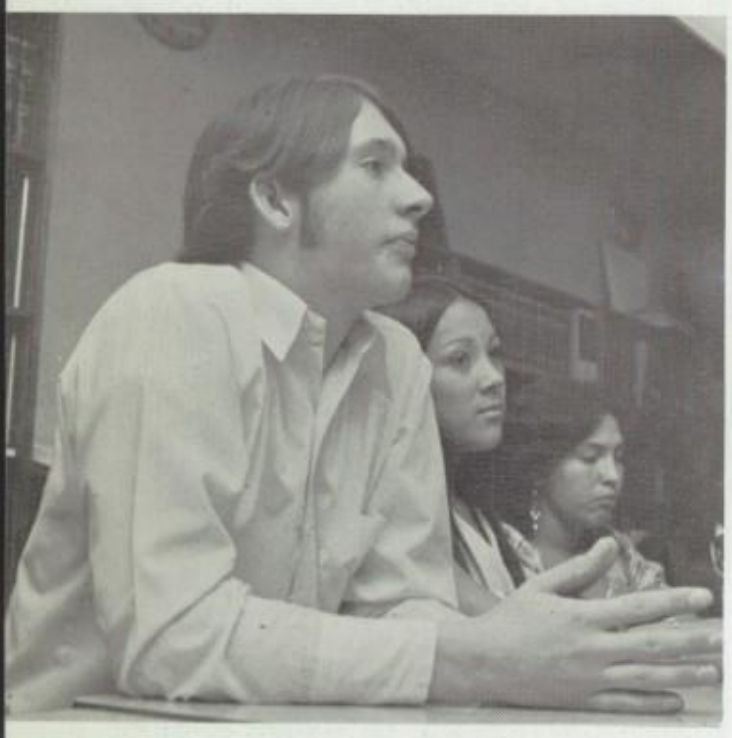
Associated Student Body - The Voice

Bloomington High's ASB Council, the students contribution to the running of the school, was led this year by President Joe Crnko. This year's council was responsible for much of the activity on campus. They sponsor things ranging from Homecoming Week, to the Fringe and Garter Fling, which announces newly elected ASB officers and symbolizes the end of school.



ASB Council — Left to right: Joe Crnko, President; Cube Valdez, Secretary; Karen Hamada, Reporter; Ben Factor, Vice-President; and Bob Lowry, Treasurer.

Changes In the Making

One of the major decision-making projects the council announced to the student body were major changes in the constitution. After reviewing and informing the students through the House of Representatives, students went to the polls to vote upon revision of the Constitution. The major change which took immediate effect was "Convention '73." A new method for electing ASB officers took place on campus, as well as replacing the House of Representatives. The result? Very positive, very impressive, and fun according to the participating students.

Front row, sitting: Mr. Manzo, Joe Parker, Bob Lowrey, Ben Factor, Joe Crnko, Cube Valdez, Karen Hamada, Robin Stevens, Tinou LeGrand. Back Row: Sherry Landis, Penny Pruden, Ken Alvarez, Tim Bealer, Elaine Vandagriff, Rick Castro, Ruben Sandoval, Charlene Rojas, Regina Ramos, Debbie Belmudes.

Working . . . Sharing Just a Part of it All

Debbie Belumudes, who rose from the office of Vice-President to President, and Laura Maruna, Secretary; kept the Girls' League organized and running smoothly.

This year's Girls' League had a very eventful year beginning with the traditional "Big and Little Sister Day" and ending with a farewell "Mother-Daughter Tea."

During the year the council works together as a team dividing up jobs and getting things ready for another event. Much of the success of the Girls' League is due to the help and cooperation of the sponsors, Mrs. Corcoran, Mrs. Knight, and Mrs. Wheaton.

Mrs. Webb and Debbie Belmudes await anxiously for the first couple to arrive at the dance.

Boys' Forum Climb To Great Heights

The '72-'73 Boys' Forum was headed this year by President Ruben Sandoval. At the beginning of school they started a new tradition of bringing the new freshman boys to school for a "Big and Little Brothers Day." This not only helps the Frosh boys get acquainted with the campus, but also helps the upperclassmen meet the younger boys. The Forum also sponsors other various events throughout the year.

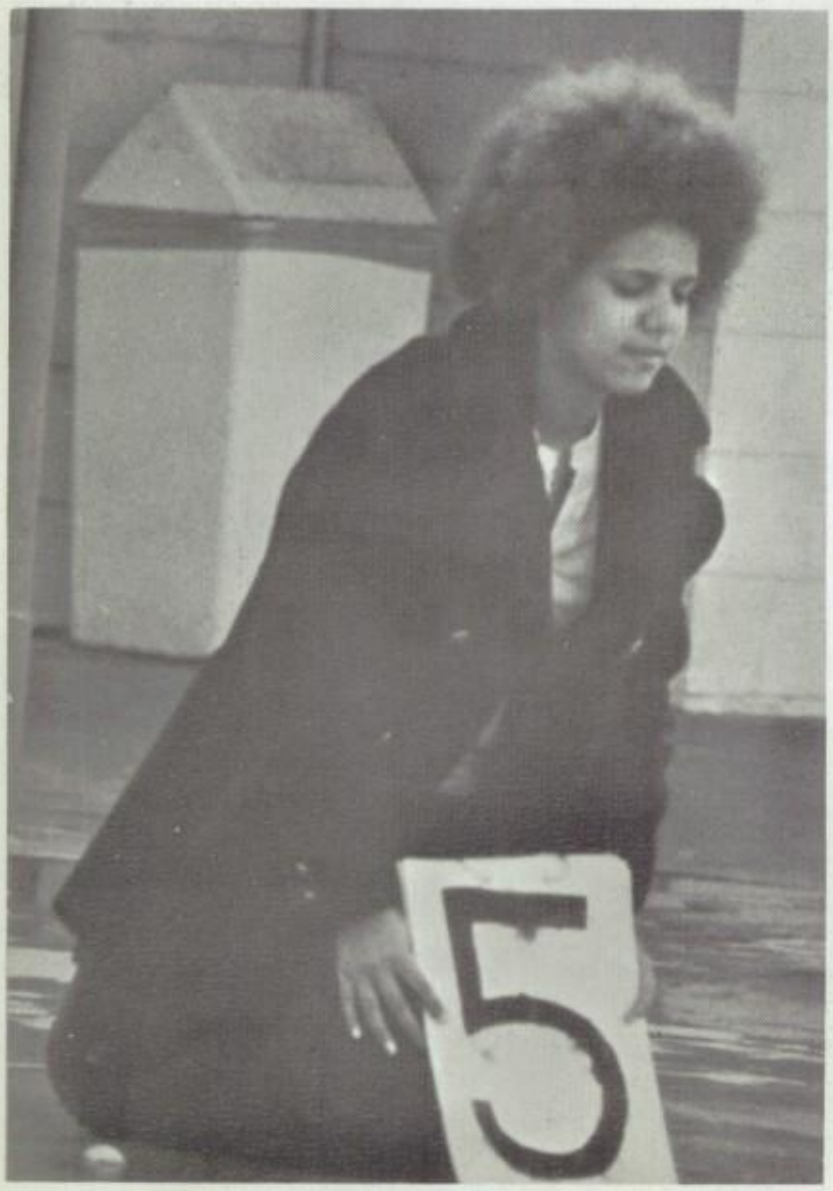
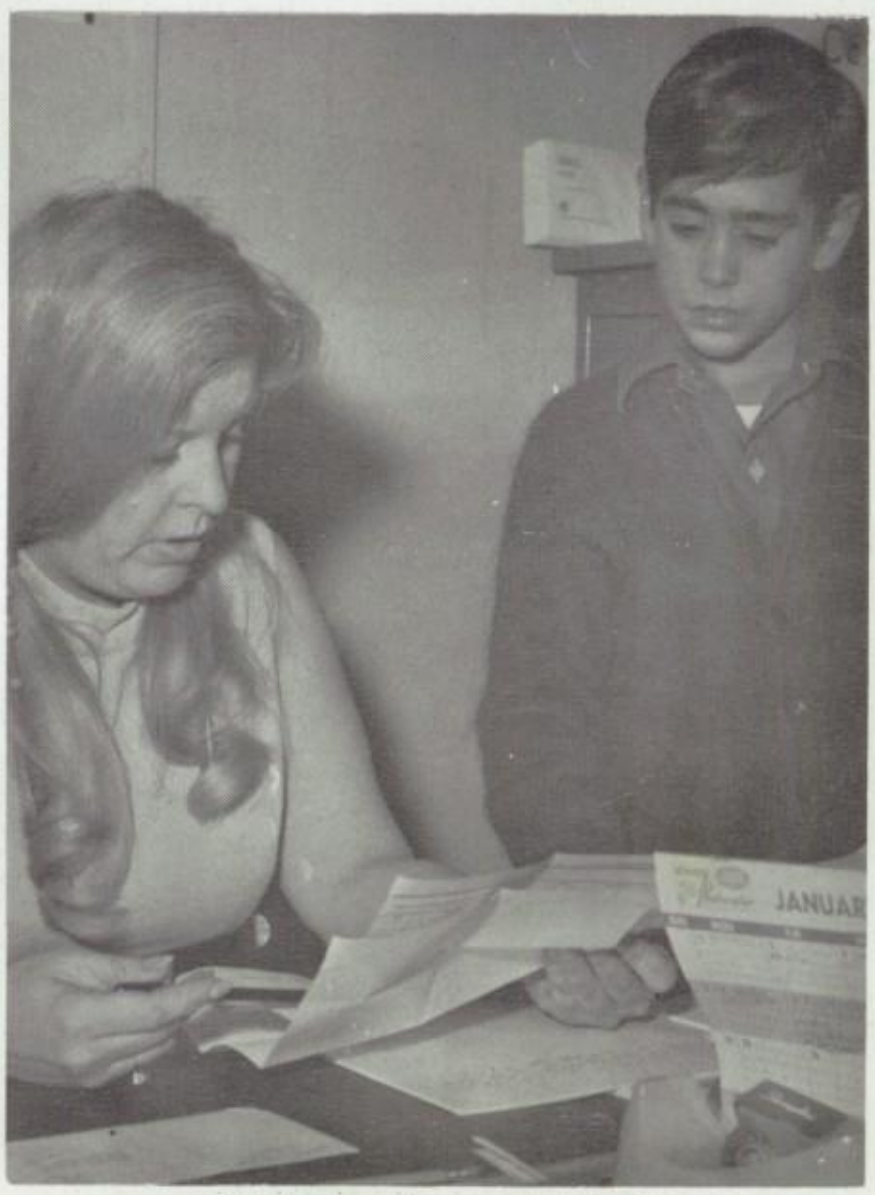
Frosh Learn Fast About Campus

Freshmen prepare themselves for class competition.

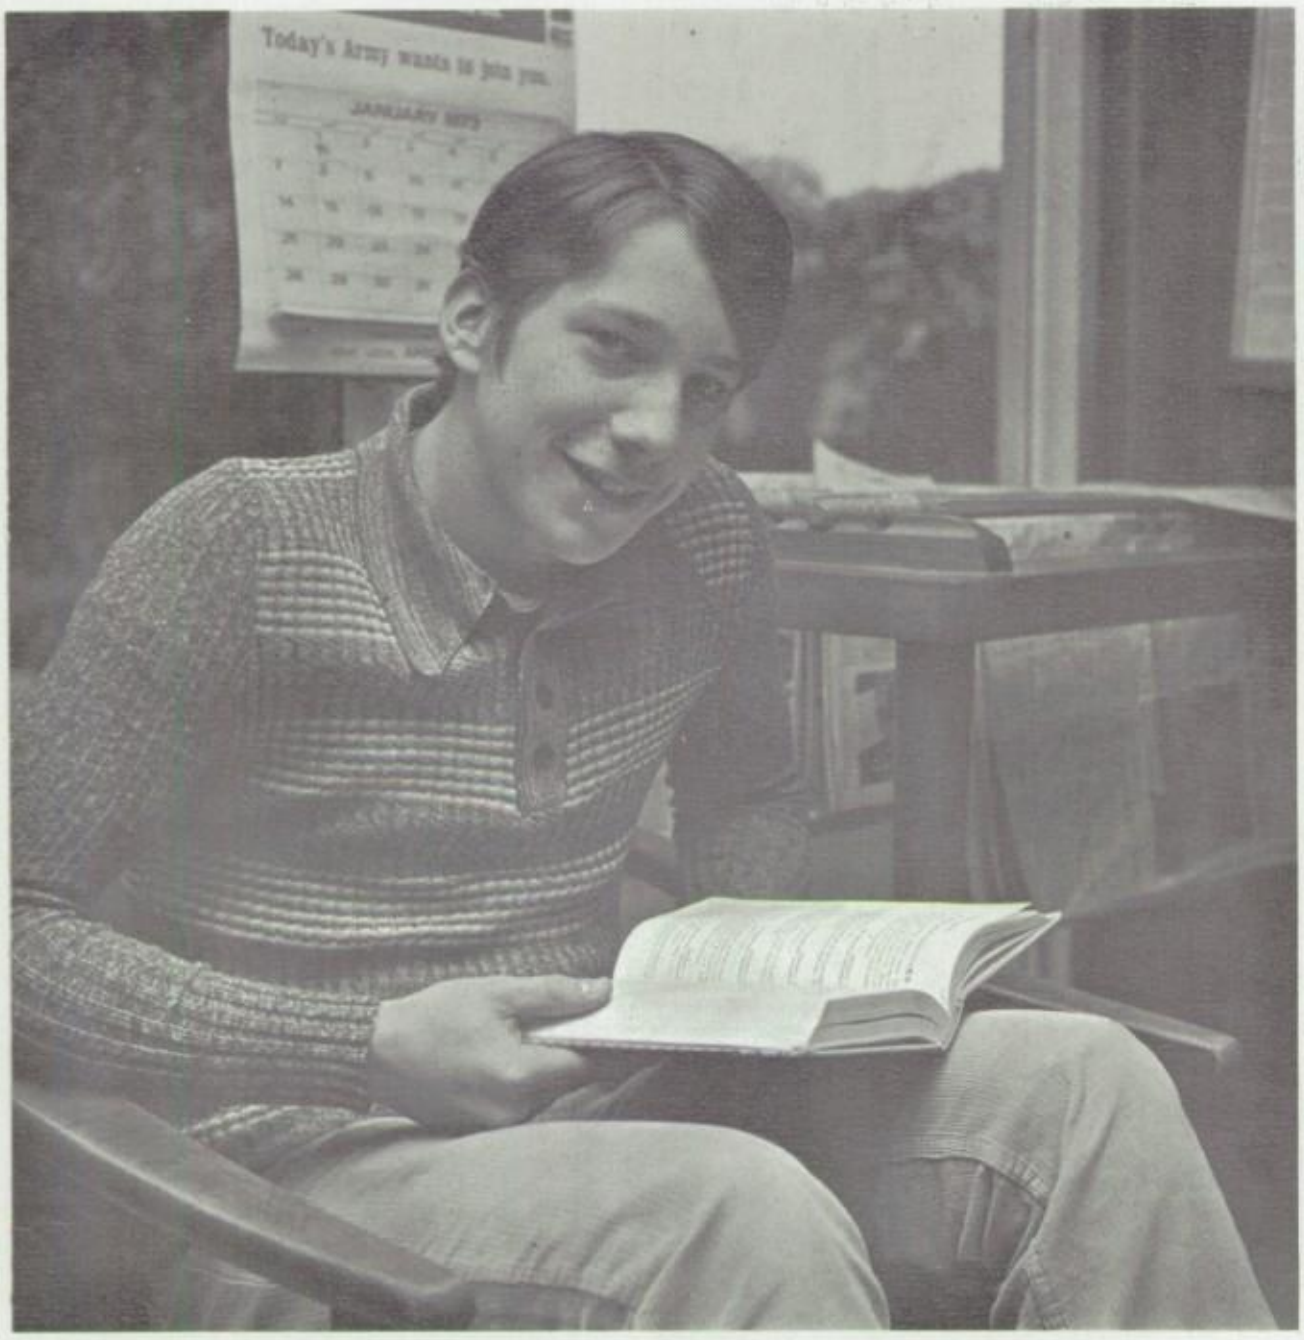


Mandy waits for her swimmer to come in.



Billy is puzzled by High School life.

Life and How To Get Around



Ken Alvarez, Freshmen President, leads his class to success.

As the class of '76 begin their four-year journey, they will be able to look back on many happy events.

Under the sponsorship of Mrs. Jones and Ed Gregor, and the leadership of Ken Alvarez, the Freshmen were able to develop new ideas. It is this class who began the tradition of having a Frosh princess at Homecoming and they had the honor of taking first place in the Homecoming float competition.

Keep up the good work Class of '76.

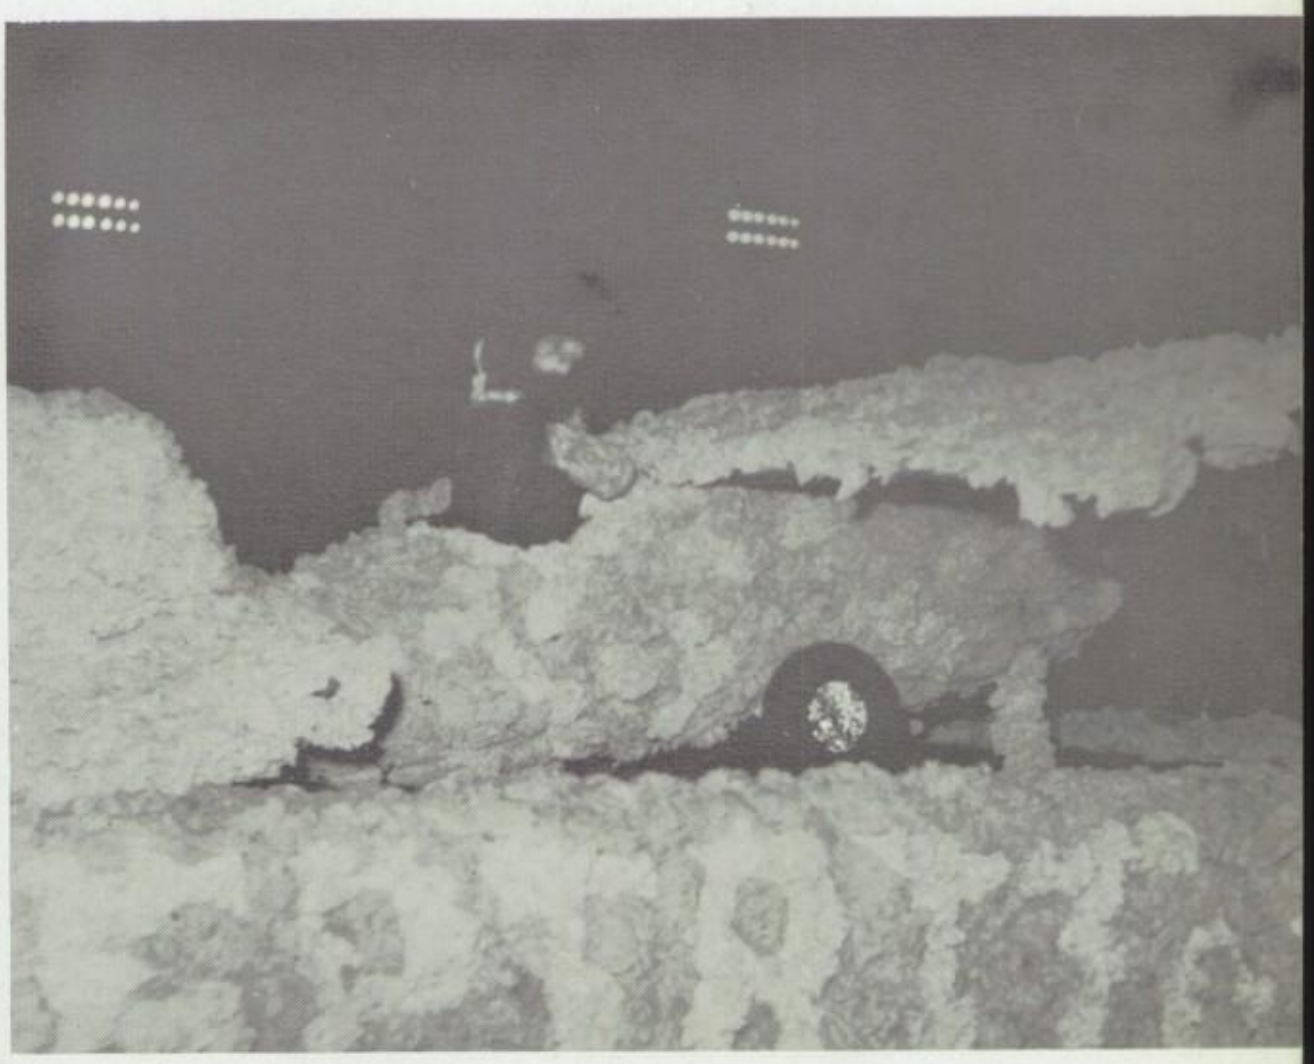
Freshmen: Fun, Foolery . . .

This is the moment everyone has waited for, the announcement of who has won the float competition. Everything is quiet as the judges move up to the microphone. All of a sudden' commotion breaks out as the Freshmen realize that their masterpiece has just won. There are screams and shouts and a lot of hand shaking. I'm sure this is a Homecoming the mighty Class of '76 will never forget.

. . . Frisky



The spirited Freshman Class grabbed first place with their Homecoming float.

The spirit of '76 never failed when the Frosh worked on their first float during the cold, and rainy nights in November.

Freshmen Letter-Carriers Display

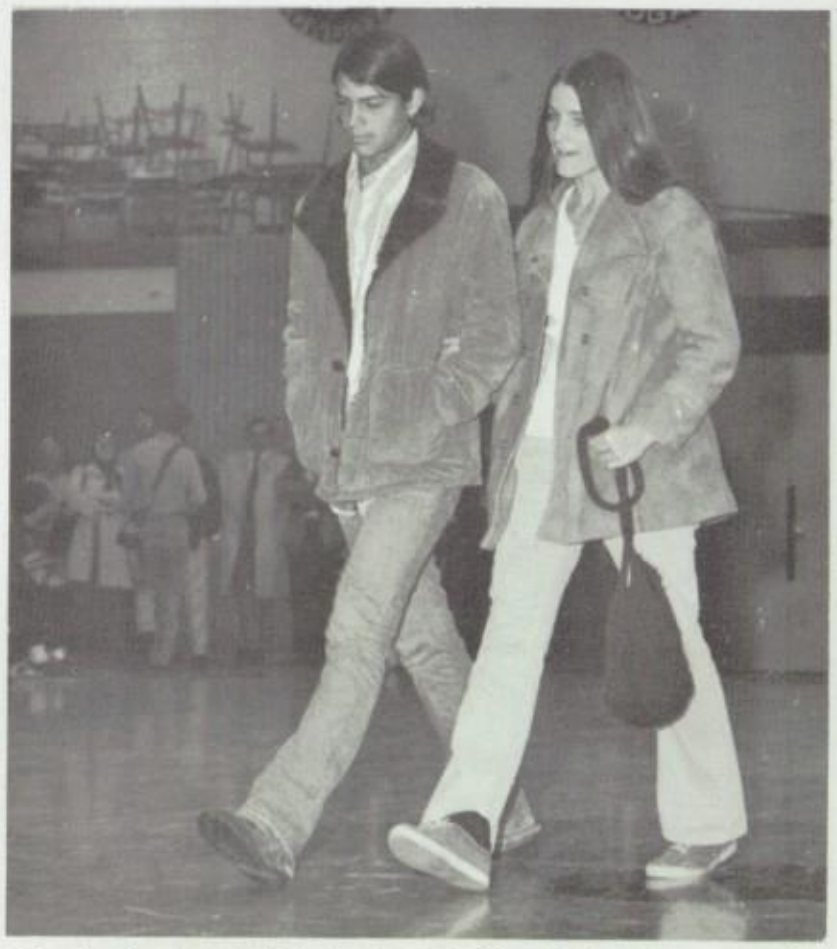
Letter Carriers, always with a smile, lead the Band and Drill Team through many complicated routines. From L to R are Debbie Osenga, Barbara Krueger, Mary Martin, Becky Jaurigue, Herlinda Riveros, Toni Rindone (sitting in for Laverne Espinosa), Deann Bomar, Peggy Chadwick, Vanessa Lusardi, Leeanne Squire, and Wanda Roeseler.

Tradition Breaks Down: Frosh Have a Princess!

A new attraction has been added to our Homecoming festivities. This year for the first time the Freshmen had a princess to represent them. The three lucky girls who were nominated by the Varsity Football team are Cheryl Wilhelm, Trudy Knapp, and Tracey Keyes.

After all the ballots had been counted, the winner was announced . . . Trudy Knapp!

No one can dispute the fact that Princess Trudy Knapp was the luckiest of them all when she wore the crown of "her class."



Trudy is escorted by Dennis Hicks during Homecoming assembly festivities.

Sophies Gettin'

This year the Sophomore class is headed by Rick Castro. Rick, with one year of experience behind him, knows what he's doing. He knows how to get things started, and keep them going.

Rick's helper, the Vice-President of this year's Sophomore class is Bruce Harjenhausen.

The rest of the Sophomore class cabinet is, Secretary, Kim Ramos, Treasurer, Sindia Caston, A.S.B. Representatives, Sheri Landis and Robin Stevens. The Program Chairman is Debbie Haskins, Boys' Forum Reps. Steve Alvarez and Steve Iddings, Girls' League Representatives, Melanie Shoaff and Becki Ingersoll.

Kim Ramos and Robin Stevens survey the situation, as they try to continue work on their Homecoming float for the game and parade.

All Mighty Juniors Rise

Junior Council get together for a major decision discussion.

Paula Davison shows spirit at luau.

Gayle Byers, Pam Harrison, and Laura Maruna are trying to make work more pleasant by enjoying a short brunch-break in class.

In Spirit and In Studies . . . . .

Upperclassmen ham it up, whenever they can, and wherever they can ! ! !

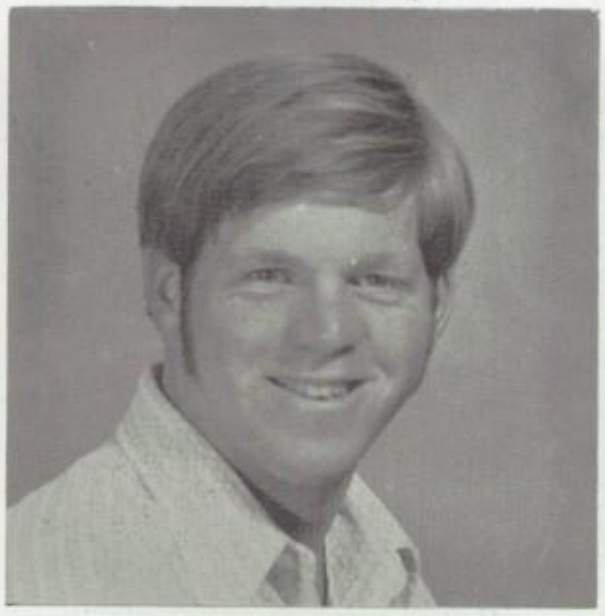
The Junior Class Council has made many major decisions this year, one of them was the Junior-Senior Prom. The prom was held at the spacious Indian Hills Country Club. Council members are: President, Tim Bealer, Vice Pres., Dave Anderson; Secretary, Debbie Dudding; Treasurer, Susan Ryckevic; Girls' League Reps: Leslie Tuttle, and Jeanette Ganino; A.S.B. Reps; Charlene Rojas, Regina Ramos; Boys' Forum Reps: John Ziegler and Jerry Scott.

Dave passes the afternoon "gossiping" with Kevin.

Mr. Rogers proudly presents Mark Washburn with an award for X-country.

Boy and Girl State: Here We Come ! ! !

Each year a Junior boy and girl are selected to attend a special conference. Candi Ritter will attend Girls' State at Squaw Valley, which at that time she will learn about governing procedures in California. Boys' Stater Page Leonard, will attend the University of California at Davis where he will be given similar information concerning California government. Boys' State selection is based on the in-coming ASB president for the following year. Girls' State selection is done by the faculty.



Junior class member Laura Maruna won't return with her class next year. Not because she doesn't want to, but because she has received a scholarship to attend the University of Illinois special school of performing arts. Laura has displayed some of her special talents at the Father-Daughter banquet and during half-time game activities.

Cheryl and Cindy are caught between classes.

Dancing to the Maya Sound

Studying and getting ahead is very important to all Juniors, but there is always time for pleasure. At the Homecoming Dance, the "Maya" performed with the lively sounds of today. It was a great way to end Homecoming.

And Seriousness

Alice Reigns

Homecoming week sent a spark of spirit through the Class of '74. The Juniors worked together creating their float "Strolling Through the Park." Other activities involved the election of Junior Class Princess Alice Miller, who was proudly chosen to represent the Juniors. She participates in many school activities, and Songleading is one of her favorites.

Whenever you were needed you were always there, never thinking of yourself, but doing what comes natural. You have brought spirit and happiness. Thanks for everything you've done.

New part-time language instructors have been added to the staff for the second semester, unfortunately, too late for publication dead-line to add their pictures. They are Dr. Nelphi Georgi from Hawaii, and Mr. Bob Bridges from Colton High School.

afs: Promoting Brotherhood and

A special service club has been added to the Bloomington campus, and it's run by very special students and a superb faculty advisor, Bob Brayshaw, who wishes to promote goodwill toward students of foreign nations. American Field Service is in its first year on the campus, although the organization itself has existed since World War II.

This year we have two foreign visitors, Tinou Legrand of France, and Taner Demir of Turkey. They are living with students junior classman Gayle Byers and AFS president Hurley Roberts. Tinou and Taner have "adopted" American families, as well as good ol' American customs.

Taner and Tinou enjoy meeting other exchange students.

K-MEN Meet AFS

AFS is the most active organization on campus. They have to be due to the fact that each year $800 is needed to obtain a foreign student. The organization will also be able to send a Bloomington student to a foreign land next summer if enough money is earned. The organization is small, but the extra work, planning of activities like K-MEN basketball games, pancake breakfasts, car washes, and bake sales bring their goal closer.

All the News That's "Fit To Print" . . .

Newspaper work is frustrating work. The pressures are endless as any editor-in-chief knows, and especially the advisor! Mrs. Knight withstands the pressure well, and her nifty guidance always produces good results. This year's Journalism staff worked well under deadline pressures.

Writing, typing, clipping, rearranging, and pasting-up layouts are endless processes as newspaper staffers work on projects related to the class.

BRUIN PRESS Reports it All

When will it ever end may sound like a familiar woeful phrase, but the "BRUIN PRESS" staff members are used to the tensions of newspaper life. Nothing is ever dull, nor is there a lack of nothing to do because deadlines must be met.

With the aid of a returning, experienced editor-in-chief, Vicky Knapp, and advice from Mrs. Knight, and Mr. Cales from the print shop, Vicky and her staff were able to print special issues throughout the year.

First semester group only — Back row, L to R: Ken Harrell, Leonard Temby, Rick Moore, Don Benton. Second row: Dominic Bono, Gary Mendoza, Greg Sparks, Dave Chapman, John Bennett. First row: Mrs. Knight, Debbie Snodgrass, Tina Hollingworth, Editor Vicky Knapp, Gayle Byers. Carolyn Gouin.

Valley's Future Ranchers: FFA

FFAers this year have been really active. They won many awards and prizes. They were in many activities and again attended the annual Orange Show. They took first place in an arena showing. Their new advisor this year was Mr. Eric Fromm, who put out a lot of time and effort to this organization.

FFA officers are bottom row, L to R: Randy Hanks, Glenn Arthur, Carolyn Sawtelle, Rick Prichard, Candi Ritter, Elaine Brown.

Tina Burt, FFA Chapter Sweetheart.

As you can see FFA is one of the largest organizations on campus. BHS students should be especially proud of the numerous awards FFA has won for Bloomington.

Bloomington High's MECHA Club

Bloomington High's MECHA is an organization made up of Bloomington's Mexican-American students. Cinco de Mayo is their big event of the year. This year the club is sponsored by Mr. Velasquez, who has helped students raise funds for scholarships. In their second year the club had many fund raising events such as the candy cane sale and their Queen contest.

Honors Spread Amongst Class of '73

Daughters of American Revolution

Every year a Senior girl is selected for the Daughters of American Revolution Citizenship Award. Elizabeth Cordova was chosen on the basis of outstanding citizenship, scholarship, and her participation in school activities. Liz was honored with a DAR pin and certificate, and she becomes one of many special members of the DAR chapter.

Betty Crocker Homemaker of Tomorrow

Competing amongst many other Senior girls, Debbie Belmudes qualified as Bloomington's district winner of the Betty Crocker Homemaker of Tomorrow Award. She has a chance in the regional division, and Debbie can win a sizable monetary scholarship. The special test is administered every year by the Homemaking Department for the Betty Crocker Industries.

Lions Club District Speech Contest Winner

Lois Hunnicutt was named the district winner of the annual Lion's Club Speech Contest. She competed against finalist Jeff Grider, and Sherry Houseworth. The topic regarded the responsibilities of an 18 year old.

Seniors Honored By Bank of America

Each year Bank of America awards special plaques, and certificates to outstanding Seniors in various fields of study. It is through the recommendations of department chairmen that the following students were chosen for the coveted honor. Those seniors not pictured are Karen Hamada, Art; Randy Hanks, Vocational; Mike Sperling, Music.

Publication Staff Creates a Totally

This year the 1973 BRUIN staff decided to create a different kind of yearbook. This started the first week of school when we went over the pro's and con's of a different way of sectioning the book, so instead of using the traditional way, we threw it out to make way for the new style. This was just one of the changes. We also had to handle the business end of the production. This took long hours of going out trying to sell ads, plus taking care of selling the yearbook to the students. But our biggest improvement was the addition of color. Our advisor Miss Pati Ishida, was the one responsible for initiating the changes toward a newer, more sophisticated type of yearbook. We had fun creating it, we hope you will enjoy the memories it brings back.

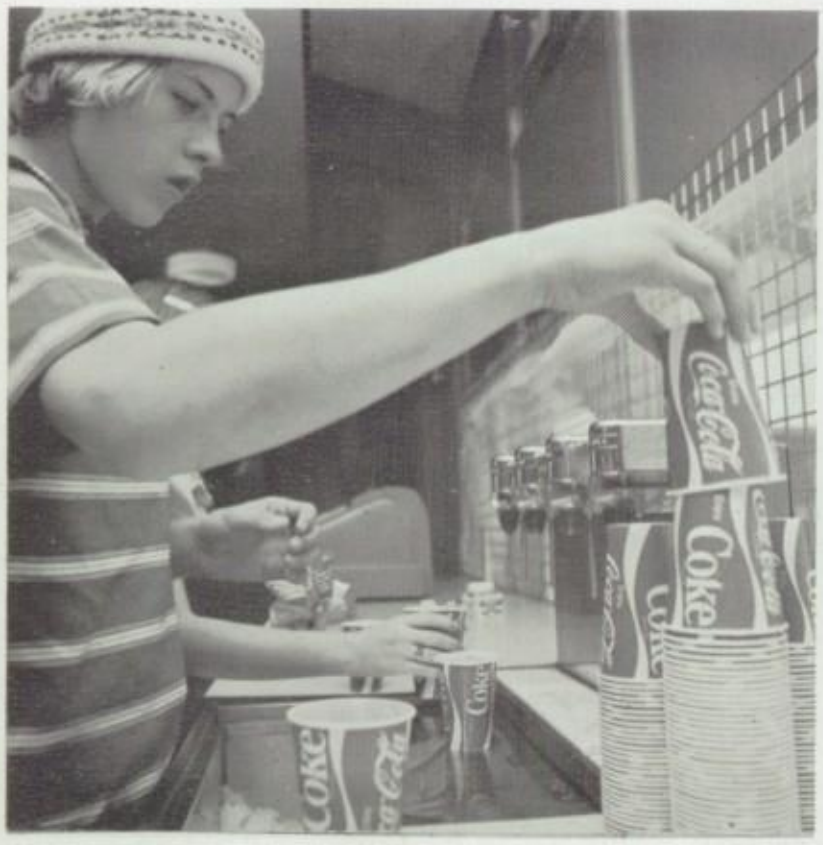
The production of a yearbook takes much work, but along with it comes the rewards of getting to know the people you work with, this includes the good times and bad.

Nothing Refreshes Thirst or Fills Empty



"Good service and low prices" are Student Store mottos.

Student Store Training

Student Store Training is one of the most popular classes in Business Education and probably the most valuable for the student. The operation and management of a snack bar and student school supplies train the student for an outside job during the summer or after school in a food-handling or retail job. If anything, the students certainly learn how to count money and distribute correct change to their customers. Going into the "red" is something the Student Store does not want to face.

Stomaches Better Than Brunch-Time

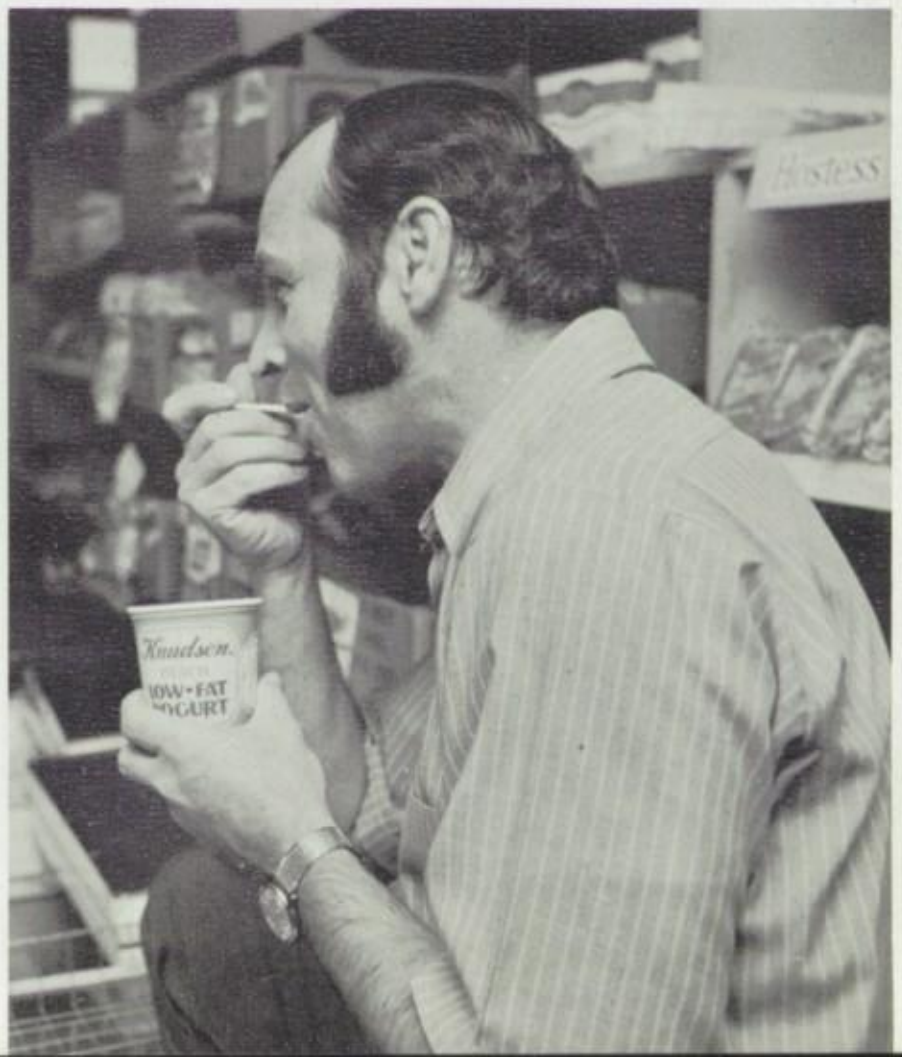
At the Student Store

Perhaps the most popular center on the campus is where there is the smell of sweet snacks and cool drinks. The Student Store attracts all the students, but it also lures swarms of bees, which take advantage of left-over "goodies" in the trash bins.

Rick displays a quick, nimble hand at the cash register as he keeps up with the pace of the hungry student customers.

The Kind Observer

Business teacher John Green keeps a watchful eye on students, merchandise, and their transactions as he gleefully slurps a "peachy" yogurt dessert in the corner of the Student Store.



Usherettes At Their Best

The Usherettes are a small service club who are active in the city of San Bernardino. The gals can be seen ushering anxious theatre-goers at the Civic Light Opera during various times of the season. The girls do not receive pay, but their reward is viewing top Broadway musical plays, and meeting many types of people who appreciate their service to the community.

Usherette officers are Janice McMullen, Treasurer; Terrie Ott, Secretary; Jamie Baldino, Vice-President; and Debbie McMullen, President.

GAA: Getting Together For Sports and Fun

Girls' Athletic Association combines the philosophy that everyone needs fresh air, exercise, training in sportsmanship, challenge through competition and good ol' clean fun. The girls meet various schools for GAA Playdays throughout the twin counties of Riverside and San Bernardino. The girls work together, and that is what makes GAA fun and healthy.

Equality For All

The girls in GAA decided that there really wasn't any clause in the basketball rules that specified that the sports *must* be played by only boys. Their insistence couldn't be denied by Coach Hickel, and there the girls came to compete for a position on the basketball team. By the way, none of the girls made the team, although the try-outs proved to be a pleasant evening for both sexes.

Coach Hickel looks at the line-up of prospective team members. Suffrage-fighter Susan B. Anthony would have been proud of the girls.

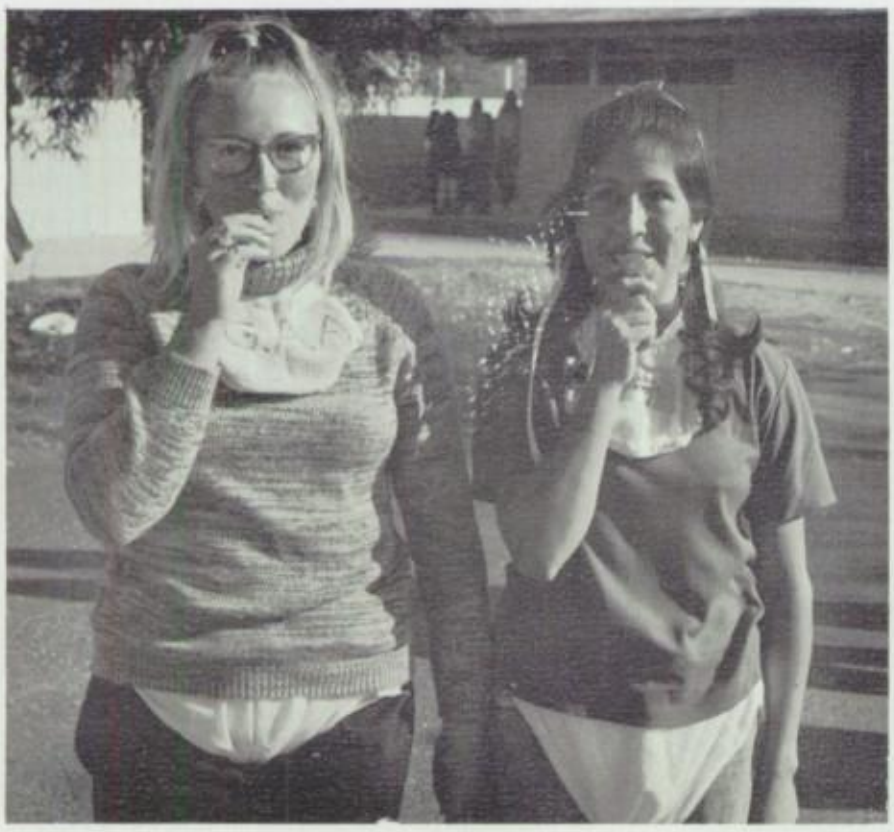
Plain Ol' Fun Makes GAA Worthwhile



Initiation: GAA Style

The fun in GAA is not only the sports and competition, but the initiation. "Green" GAA members who seek membership must participate in the festivities if they wish to become active and permanent members.

Every new GAA member must experience initiation. This may mean wearing diapers, carrying a pacifier, and looking pretty silly. Robin Steven does a good job of fulfilling two initiation requirements.

Lettermen Keep Themselves Busy

It can surely be said that this year's Lettermen Club kept themselves busy both off and on campus, from the beginning of the year with Winter Sports banquet, to the last warm school months which made after school activities popular. The club was headed by President Ray Abeyta and Vice-President Mark Washburn, Robert Garcia served as Secretary for the organization. Being a letterman both off and on campus is a goal set by all young athletes.

Give a Little Attention, Add a Little

Mrs. Wheaton's helpful guidance in cross-age teaching has made the program a success.

Teachers' Aides In Action

Praise, and Have a Little Patience . . . .

Cross-Age Teaching Really Works

Individual attention is all that these two youngsters need in advancing them to read better.

The program of cross-age teaching has been around in the school for many, many years, but, it has only been recently that students at Bloomington have been transported to the local elementary schools as aides. Cross-age is a class instructed by Mrs. Verna Wheaton, but the actual teaching is left to the students of the class. They work with the youngsters, help the children to read, write, and even play with them if time or need permits. The teaching is relaxed. There isn't any of the pressures existing where the student must hurry. It shouldn't have to be that way . . . education should be fun, and the teacher's aides are realizing that immediately.

Mary Valdez proves that learning doesn't have to take place at desks. The floor is just as comfortable.

CROSS-COUNTRY . . . . . It's Not For Everybody

Greg Chapman

Roberto Garcia

Boredom is something we experience in our life. It sneaks upon us in little commonplace ways—in habit and routine. We can only conquer it by doing different things, like a two-mile race out in the open country, seeing the land, smelling the green trees, and feeling the wind rushing past our face. It's the feeling of freedom one gets that makes Cross-Country what it is.

Combine the experienced leadership of Coach Rogers and a group of young runners who are eager to improve themselves, and you'll come up with the 1972 Bloomington Cross-Country Team. A team that most convincingly proved themselves with many outstanding performances, including their two strongest wins over league opponents, Yucaipa and Cajon High School. Leading the Bruin squad impressively was Junior Mark Washburn, Captain of the team for two consecutive years. Coach Rogers was assisted by David Stauffer. With all the improved runners from this year's squad, the team will have many winning seasons in the years to come.

Lee's Leaders
Senior Bruins '73

As usual the Varsity Baseball team is again in contention for the league crown. At press time they are 10-3, tied for the lead with Palm Springs. Sparkling this season for the team were Seniors Kevin Newborn, Dave Day, Russ Caney, Jim Dunlap, Ruben Sandoval, Greg Looper, Mike Livingston, Jerry Sanchez, Malcolm White, Ronald Lewis, and Larry Jordan.

Sharing the pitching duties this year with Dave Day was Tim Bealer. Tim made a fine showing and gained much needed experience while throwing against many formidable league foes.

The SAL was awarded two CIF berths, and the Bruins hope to occupy one of these. We on the staff extend our hands to Coach Don Lee and every player on the 1973 Varsity Baseball team.

J.V. Baseball: Done The Iddings Way . . . Ends Up As Success

Mr. George Iddings filled the shoes vacated by Mr. Manzo and did a fine job with the JV's. The team held together and really showed enthusiasm. Senior Don Easton, unable to stay with the Varsity because of a job, contributed much to the total team effort. Standouts were "Goldie" Iddings, Bob Powell, big Mike Chiatovich, and so many others too numerous to name. Many of the boys will play for Coach Lee next year, and they will be prepared to do the job.

Frosh Baseball, like most other Freshmen team sports is mainly a learning experience. What better man is qualified to teach Freshmen than Mr. Russell? His patience and understanding has helped the Frosh to realize that a team is more than nine boys playing independently. Besides instructing them in the fundamentals, he tried to help them to become better men, the kind that will some day play on the Varsity level.

Tough Turns, Fast Tracks, And Good Jumps . . . This Is The Sport Of Track

This year the Bruin Track team had the finest season in the history of the school. Among many of the records set by the legmen were sprints and field events. Mark Washburn set a new school record in both the mile and two-mile race with times of 4:32 and 9:24. Other school records set were John Boring in the 440 with a time of 51:7, Greg Chapman with a time of 127.4 in the 660, and Steve Alvarez with a throw of 51'10" in the shotput event. A new school record was also set in the mile relay by Robert Garcia, Bill Marchio, Russell Pound and John Boring with a time of 3:33.2. Bill Marcio also broke the 440 school record with a time of 51.9. Steve Mermilloid and Chester Bruton helped the team out in the pole vault event. The best performance turned out by the team was at their Bloomington Invitational where they captured first in the Junior division and missed first by one point in the freshmen division. The Varsity team finished the season with a 8 win 3 lost record.

Guys and Dolls In the Water

Bruin swimmer gets tangled in the action.

This year the swimming program at BHS was a little different from those in past years. The change being that girls would be allowed to participate. The guys didn't seem to mind and we know the girls didn't! The turnout wasn't overwhelming, but who knows, with the success it had, anything can happen next year. Dawn Molumphy took the coaching position for the girls, while Dave Weese handled the guys. Standouts for both teams were Karin Brunmeir, and Dan Kalin. Bloomington High Golfers . . . A Young Team In An Old Sport . . .

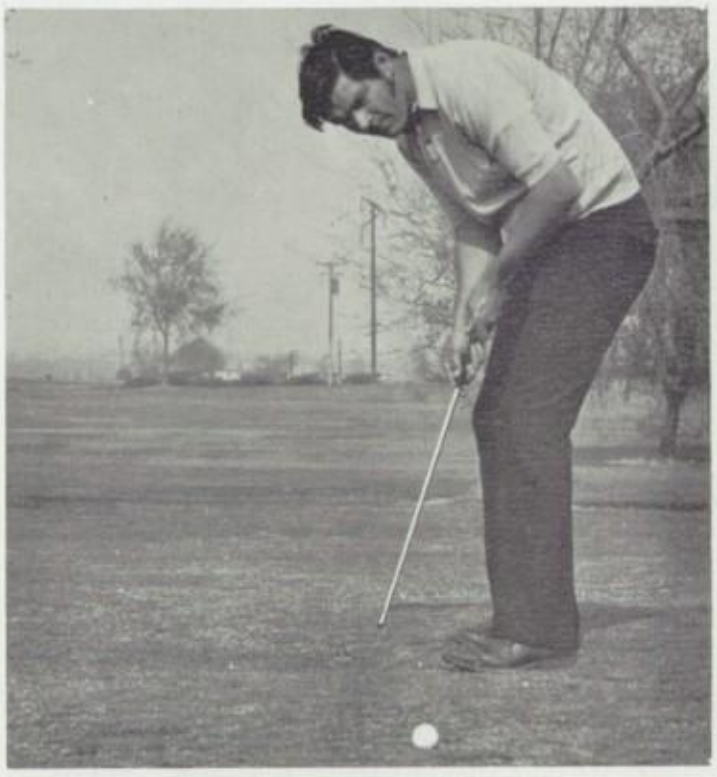
This year the Bruin Golf team was made up of mostly freshmen. Under the coaching of Mr. Green the young team faced hard competition both in league and non-league play. The team was led by Senior Thelbert Morris and Sophomore Glenn Miller. Other members of the team were Joe Parker, Joe Roe, Glenn Houchens, Cube Valdez, Dale Miller, Dave Maruna, Ed Brooks, Bill Zamares, Steve Fobian, Michael Nowicki, and Pepe Acosta. With most players coming back next year the young team will surely have a better season.



Coach Green shows good form on putt shot.

Pepe Acosta shows good form.

Joe Roe nearly makes long putt.

Bill Zamores awaits the outcome of his shot.

Cube Valdez tees off.

Thel Morris chips up on green.

Dale Miller slams away.

Thel Morris almost makes the impossible shot.

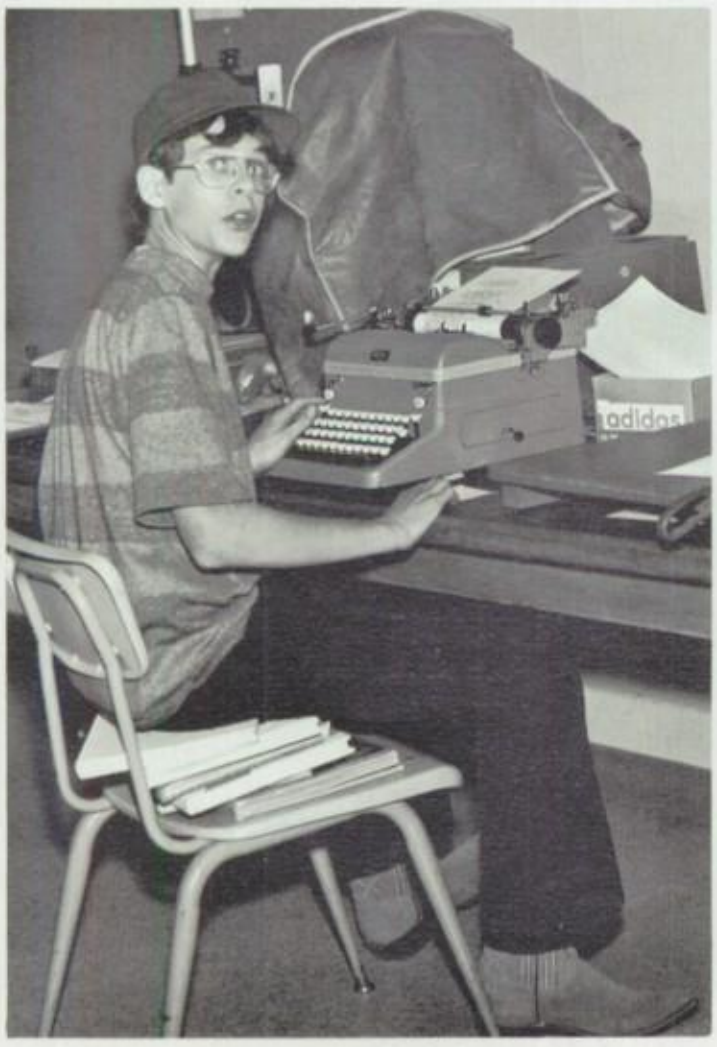
Seniors Enjoy Last Year on BHS Campus

Winding up their last year at Bloomington High, the Senior Class of '73 gave its all to set a fine example of what a spirited class should be. It all started at the first pep assembly where they won the "Spirit Jug", from there it just kept on coming. From placing in Homecoming float competition, to wrapping it up during Jr.-Sr. week.

Led this year by its first "woman" Pres. Elaine Vandagriff, the council did its part to stimulate the rest of the class to the title of "the most spirited class."

These four years of events will bring back memories as the Class of '73 continues on its journey . . . Closer to Home.

Seniors grab Football awards.



Senior Macolm still needs a few books.

Claudia's Charm Captures Crowd

Saturday, November 14th, was a very special night for Claudia Livoni; it was the night she was named 1972-73 Homecoming Queen of Bloomington High. For a while we weren't sure if we were going to have any Homecoming Activities at all, but finally the rains cleared up and everything went according to tradition. Even with the rains, nothing could put a damper on the emotions that night. When Claudia and Vicki Yount were escorted onto the field, the vibrations they gave off were enough to warm the whole crowd. But as Monica Cecil placed the crown on our new Queen, we all knew the night belonged to Claudia.

Monica Returns

Last year's Homecoming Queen, Monica Cecil, is escorted onto the field by Mike Espinosa where she awaits the moment when she can crown the new queen.

Song and yell leaders keep the spirit level high during halftime.

After the Rain: A Calm Night and Five Pretty Girls

The queen's court: Freshman princess Trudy Knapp with her escort, Ken Alvarez. Sophomore princess Peggy McKenny and escort Bruce Harjehausen. Our queen, Claudia Livoni, with escort Ben Factor. Vicki Yount, senior princess, with Joe Crnko. Junior princess Alice Miller and her escort, Tim Bealer.

Add The Splendor Of A "Court" And You've Got One Heck Of A

Rain soaked the campus of Bloomington High during Homecoming week. Though the campus was drenched, the same could not be said about the students' spirit. Throughout the pre-homecoming weeks all classes worked busily on their floats. Homecoming week was filled with lunchtime class competition, pep assemblies, and the final touching up of class floats. With spirits high, the long-awaited night of the game came. We can truly say Homecoming '73 will be long remembered.

Traditions are strong at Bloomington High . . . . .

from flower making parties.....

to bat races . . . . .

from jello eating contests . . . . .

To The Toughness Of A "Team" "Week"..... Homecoming 1973

to pep assemblies .....

from crowning ceremonies .....

to final after game dance.....

Song And Yell Leaders Boost

Joining together, the Song and Yell leaders had a goal they never gave up during the year — that was to promote more support and spirit from the student body for more pride in our teams. They were always kept busy planning assemblies, or routines for games. They tackled their duties with zest and enjoyed it. Excitement behind these girls kept them on their toes.

Pepsters Keep Spirit Soaring

The Bruin B-Yell Leaders, under the leadership of Yvonne Johnson, put spirit in the minds of everyone at this year's pep assemblies. The novice Yell Leaders also fought to keep spirit in the stands as they cheered their Junior Varsity teams on to victory.

Baby Bruin Pepsters—Yvonne Johnson, Paula Sowell, Vicki Labor, Kim Nielson, Jackie Medina, and Debbie Mermilliod.

Roaring Mascot's

Mascots Cyndi Hirtz and Debbie Looper did more than their share of contributing to the spirit level during the year. They always had a special routine planned for pep assemblies along with their performances at football games.

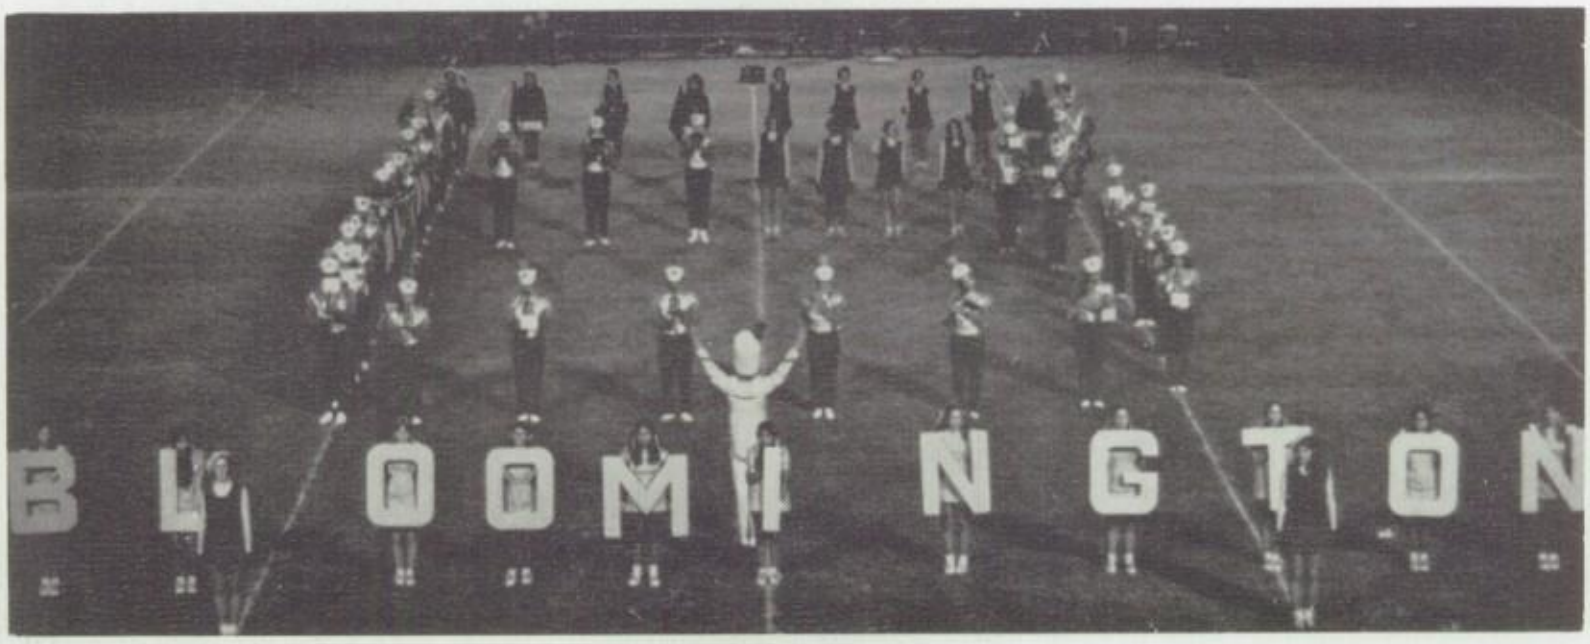
During the course of the year the spirited Flag Twirlers added much to the enthusiasm of football half-times, pep assemblies and parades. As the rippling silk pops, the girls form their routines to add a special touch to everything they do.

Mascots—Cyndi Hirtz and Debbie Looper.

Flags—Linda Ramos, Marilyn Wampole, Sheila Steele, Kim Trickett, Toni Rindone.

Andersen And Russell Put It Together

Entertaining the spirited crowds at football games, basketball games and pep assemblies was the Bruin Band led under the direction of David Andersen. The Band also performs at various parades in the area including the Inglewood Thanksgiving Day Parade, the El Monte Christmas Parade, and at Fontana Days. They also put together a Spring Concert with the choir.



Halftime activities provide entertainment for the crowds.

Band—Row 1: Howard Griefnow, Carlos Baca, Ross Collins, Jean Kalin, Ken Szenyes, Berta Harris, Bill Button, Joe Crnko, Rick Olvera, Alan Day. Row 2: Mark Moran, Charles Shipley, Anita Ramos, Lois Austin, Lonnie Muro, Debbie Hendricks, Greg Chapman, Janie Hoover, Keith Renfroe. Row 3: Bruce Harjehausen, Russell Pound, Mary Ann Dunson, Cindy Lewis, Carolyn Sawtelle, Cyndee Hirtz, Dave Borrego, Larry Hensley, Randy Hanks, Paul Holt. Row 4: Mark Clautier, Cindy Hendricks, Bill Swope, Lauren Griefnow, Ben Borrego, Clark Harris, Karen Scott, Barry Sperling, Don Longman. Row 5: Paul Holley.

With Band, Drill Team, And Majorettes

Braving the unbearable cold air whipping their faces are instructors Pat Russell and Dave Andersen. They never fail to accompany their students for performances in parades or football games, nor do they fail to give helpful advice from the sidelines.

Marchin' To The Beat of the Tune

The high-stepping Drill Team march in unison to show off their precision drills and formation at all football half-times and at various pep assemblies and parades. Led by Captains Jerria Gasche and Denise Dennis, the squad added enthusiasm to this year's activities.

Drill Team — Row 1: Terrie Ott, Cindy Connell, Debbie Little, Diane Colter. Row 2: Jerria Gasche, Sharon Tuthill, Rita Burrell, Sherry Dodd, Debbie Peterson, Denise Dennis. Row 3: Janice McMullen, Robin Parsons, Debbie McMullen, Diane Clark. Row 4: Debbie Silverthorn, Evelyn Gocken, Cassandra Stegger.

"LOVE IS TOGETHERNESS"

"Cloudy Days" performs for couples at Girls' League.

A rainy Saturday, February 3, may have upset some people, but for Madolyn Miller it brought the joy of being announced the new Girls' League queen. Our new queen Madolyn was chosen from sixteen other girls that each of the couples voted on as they entered the dance.

The happiness Madolyn expressed was felt throughout the room as she was seated on the throne to reign throughout the rest of the dance.

The theme for this year's event was "Love Is Togetherness," which proved very fitting, while "Cloudy Days" provided the music.

"Love Is Togetherness" is shown here.

Spirited Seniors Win Over Juniors

Beki, the bandit, holds up Elaine, the farmer.

It was year of the A's and the Reds, the Dolphins versus the Redskins and the Senior Class of '73 against the Juniors of '74. From the beginning it was the Seniors ballgame. It started with a three-legged race down the quad. That sort of ended up as a free for all. To make the Juniors feel a little wanted, the Senior girls agreed to let the Junior girls over-power them in war-ball. But other than that, the Class of '73's final year of competition went very well. On Friday, ending the week it was Senior dress-up day. From cowboys to bobby-soxers to people's favorite pastimes, the Seniors proved to the underclassmen that they too had spirit.

Everyone's favorite comes in third.

Rena Is Honored Queen At Fringe and

A few tears were shed, but generally there was a gaiety vibrating throughout the cafetorium as the traditional Fringe and Garter Fling got under way. Highlights of the evening were announcements of the 1973-74 ASB officers: Page Leonard, President, and Joe Zinicola, Vice-President. Of course, a special evening like this cannot be spent without a queen. Rena Maroney captured the Spring Sports queen. Other candidates contending for the queen spot were Karen Pariseau, Tennis; Karen Reed, Baseball; Marty Poling, Swimming; Gwen Cherry, Basketball. Then the high-stepping, spirited song and yell leaders were announced to complete the dance.

"Boss-men" Joe and Page sweep the mess.

Drama Review: "Around the World In 80 Minutes"

What is hard work, cast parties, and loads of fun? . . . The Drama Club.

These people spend many of their after school hours working on props and rehearsing their parts. A lot of work which no one knows about goes into each performance. Don't you think this group deserves a round of applause?

This year the Drama Club started the year off with a revue or a sort of variety show. It was called "Around the World in 80 Minutes." It was made up of many students, out to show their "stuff".

Take Some Songs and Three Pretty Girls . . .

. . . Add a Dance Team Plus Some Comedy Skits

. . . And Then the Finale

A Bloomington High theatrical production isn't the same without the inspiration, guidance, critical advice, and above all the loving, but lung-screaming directions from drama coach, Billie Williams.

Thespians

Thespians are the advanced group of drama students who have earned "points" for skits, scenery, or backstage work. This years Thespians are Wendy Ambrose, Fred Cook, Jeanne Huginin, Laura Roberts, Debbie Looper, Berta Harris and Sherry Dodd.

Drama Club

The Drama Club is the combined effort of drama students, acting and speech students, and any BHS person who wishes to participate. It is a variety show aimed to entertain all ages. You would be surprised to see so much talent packed into one show!

The play begins with a sweet and innocent child played by Berta Harris, and her concerned mother played by Jan Thennes. As the play continues, one discovers that perhaps this child is not as innocent as one thinks.

Fall Mystery Play "BAD SEED"

Concerned parties, played by Dena Norvell and Chuck Bunjes, visit Jan, who plays the baffled mother.

Unpleasant visitors also arrive on the scene. Doris Pritchett and Chuck Bunjes play the parents of the drowned child, as D. J. Eilander displays her talents as the understanding Miss Fern.

Behind-the-scenes of "BAD SEED"

Preparations for the "thriller" mystery "Bad Seed" was an extraordinary experience for Bloomington High actors. Make-up, wigs and appropriate costumes are a "must" for complete character changes. In many cases, the student-actors no longer carried their adolescent looks on stage, but aged with the aid of theatrical know-how and paint. The "behind-the-scenes" are just as important as the on-stage production.

Laura Roberts studies a few lines before making her debut as Reta Tasker.

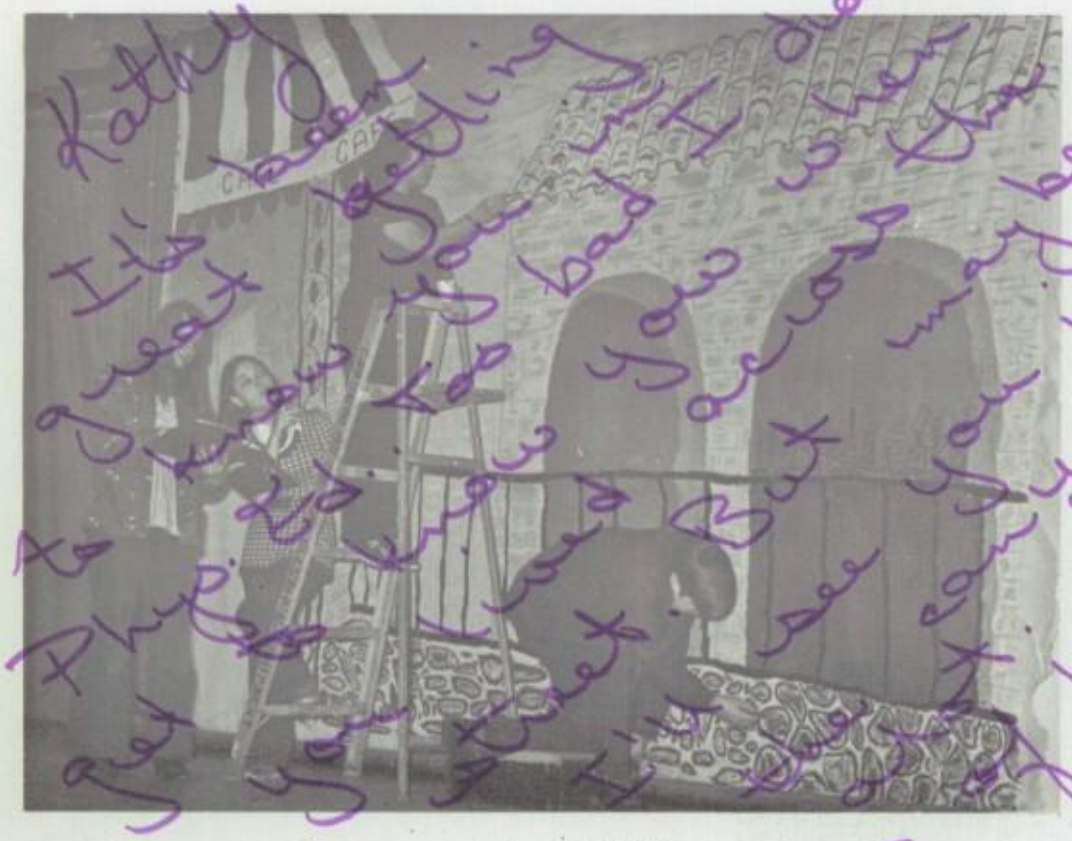
Jim Moore is having a difficult time with his tie, but he has no troubles portraying the dashing officer, Commander Kenneth Penmark.

D. J. Eilander gains a head of greying locks as Mrs. Williams sprays the instant dye.

The mirrored reflections of Fred Cook and Chuck Bunjes in the dressing rooms gives one a peek at last-minute rehearsals.

"Practice makes perfect," and Fred and Berta take advantage of any rehearsal time they can get.

Those Crazy, Zany "GUYS and DOLLS"



Stage crew works at finishing scenery.

Mrs. Williams and Mrs. Russell ponder the situation while waiting for the next cue.

Hot-Box Girls Are Coming To Town

Displaying "Rockette" style finesse are Hot-Box girls.

Hit Bloomington High's Stage

This year BHS staged the musical "Guys and Dolls." Three plots are interwoven in the play: 1) Nathan Detroit can't find a place to hold his crap game, 2) his fiancee of 14 years is urging marriage and 3) he bets Sky Masterson that Sky cannot take the Mission Doll to Havana (at the end Sky and Sarah fall in love, of course!).

Congratulations should go to the students and faculty who helped make the play a successful venture. Through the joint efforts of the faculty and student production, the audience had the pleasure of viewing a double feature. The result of the play was a $200 check which was netted from the performances in order to give as scholarships from the Faculty Club.

Perhaps the only difference between faculty and student crap game is that the faculty are more experienced.

Faculty talent adds humorous excitement.

A choir of "Salvation Army Volunteers" sing in unison.

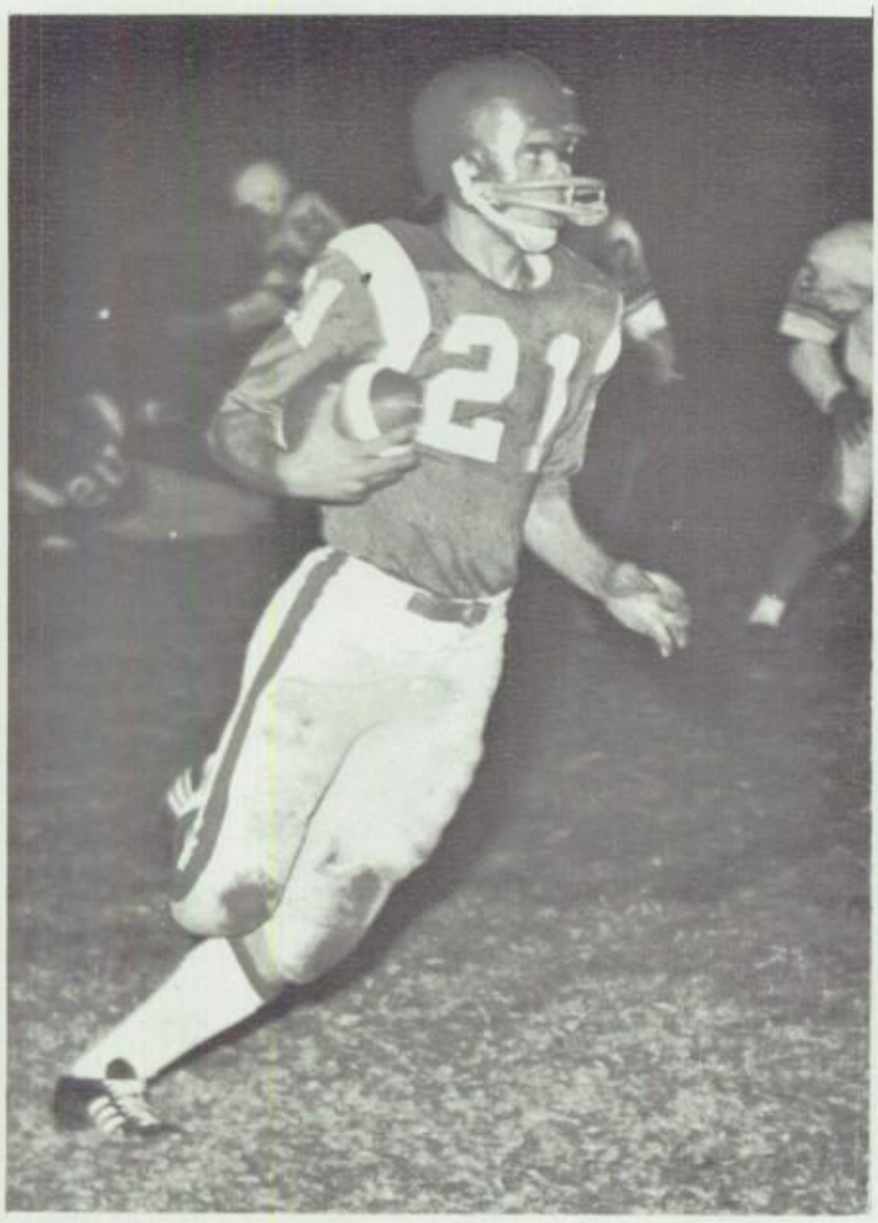
Bruins End Season in Style



Junior tailback, Joe Zinicola, peers upfield as he sweeps right end.

The Bruins, greatly improved over last year, displayed a potent offense and a stout defense in accumulating a 3 win - 4 loss record. Under the leadership of Coach Don Lee and his assistants off the field, and Quarterback Ron Lewis on the field, the team finished 4th in an 8 team league. The final standings showed the Bruins ½ game out of 3rd and only 1 game away from 2nd place. Said Coach Lee of the team, "we've got something started here, we have the ability to win 5 or 6 ball games, but a lack of confidence is our only problem."

It's a shame that the season had to end, but all good things must come to pass. The season may be gone, yet many great memories linger on and on and on. . . .

WHIZ KIDS

This year the offense was led by captains, Ron Lewis and Brian Mc Daniel. It proved to be a lethal weapon as long as the line held up. Page Leonard and Joe Zinicola (just call them thunder and lightning) provided the punch on the ground while Dexter Tuttle, Dave Day, and C. E. Bruton brought in the aerials. Lewis' outside running ability tied up many a defense even when the line did fold.

CRUNCH BUNCH

The Bruin defense sputtered at times, but when it was ready to play it could be as stout as a rock. Sparkling on defense were all-league noseman Bill Bland, and line backer Robert Lopez. They worked as a unit and were always ready for action. Other stand-outs were Rick Castro, Bob Mattke, A. G. Loyer, Micky Rocha, and Steve Alvarez.

Like lions stalking food, the resolute Bruin defense capture their prey.

They Hit

The Junior Varsity football team put forth a valiant effort this year, winning three games. "Dischinger's Demons," as they were called, were a spirited bunch of guys.

Three freshmen made the team and all were starters. Many J.V.'s will serve on the Varsity next year to fill the shoes of graduating seniors. Coach Lee is optimistic and is looking forward to a winning season.

CUBS FALL

The baby Bruins may have had a losing season but all was not dismal. While they gained the very much needed experience for competition on J.V. and Varsity levels, they also learned many other things that were equally as important. For instance, ruffian Pierre Ingersoll gave zip to the kick-off team. Jerry Houchens led the offense, and Darryle Everard and Cliff Cross held reins over the defense.

Who knows, the Frosh may someday be destined to bigger and better things.

Coaches Gregor and Crnko are all eyes as they watch QB Jerry Houchens.

Kathy,

It's been alot of fun in Biology this year (not the bio but the people) I'm glad I got to know you as a friend. I really can't believe I got a B I was expecting about a C. Oh Well both of us are in the same boat. Maybe we'll see you in advanced biology! HA! I really think though I may take it it really doesn't sound that hard. Well I guess I'd better quit it's gonna turn into a novel pretty soon. Bye. Have a good time this summer and I'll see you around next year.

It's Not How You Play the Game . . . .

Or Is It???

Dunlap releases,

When the 72-73 basketball season started it seemed that the Bruins could possibly have been the team to beat in the SAL. This was due to the fact that all the players, with the exception of one, were on a successful J.V. team coached by Steve Hickel, who was to take over as the new varsity coach. However, things didn't quite work out as expected. After league play started and the team dropped enough games to lose consideration for a top spot, morale began to slide and the team lost enthusiasm. Watching them on the court, one could tell that the spark was gone and destined not to return in '73. But no matter what is said here, they were a team in the true sense of the word,-and for that they will be remembered.

Led by juniors Lonnie Muro, Randy Cooper, and Dennis Hicks, the Junior Varsity Basketball team began their season with a slow start but continually improved throughout League play. With sophomores Norm Howell and Steve Iddings on the court, the Bruin team threatened to be dangerous. Juniors Rick Haftey and Tom Price helped out the team with their fine shooting and quickness. Because of injuries to Wayne Houchens and Tim Medley, and the smallness of the team, they did not have as fine a season as was hoped. Mr. John Green coached the team throughout all the highly competitive season. With the pre-league wins and all their close league games the team will be very strong in the year to come.

B's Play Their Game

This year's "B" team, though not on the winning side of the column, put forth a respectable effort. The fact that the effort was there is commendable. When a team is down, like the "B"s, it is hard to rise-up for each and every encounter. But our second year men tried hard to stay in each game. We feel that they gained experiences which will help them in the future, whether or not they are involved in athletic games. We also wish them the taste of success in the years to come, for this year it was beyond their grasp.

J.V.'s Turn Myers' Last Season . . .

Our JV wrestling team enjoyed much success this year. Coach Myers contributed much of his great knowledge, skill, and time toward the betterment of the team. It was impossible to put thirteen guys on the mat every match yet the team still won a good percentage of its matches. Their record reflected their guts, which is what it takes in wrestling. Congratulations to the '73 Junior Varsity wrestling team.

GO PLACIDLY AMID THE NOISE & HASTE, & REMEMBER WHAT PEACE THERE MAY BE IN SILENCE. AS FAR AS POSSIBLE WITHOUT surrender be on good terms with all persons. Speak your truth quietly & clearly; and listen to others, even the dull & ignorant; they too have their story. ❧ Avoid loud & aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain & bitter; for always there will be greater & lesser persons than yourself. Enjoy your achievements as well as your plans. ❧ Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism. ❧ Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity & disenchantment it is perennial as the grass. ❧ Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue & loneliness. Beyond a wholesome discipline, be gentle with yourself. ❧ You are a child of the universe, no less than the trees & the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. ❧ Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors & aspirations, in the noisy confusion of life keep peace with your soul. ❧ With all its sham, drudgery & broken dreams, it is still a beautiful world. Be careful. Strive to be happy. ❧ ❧

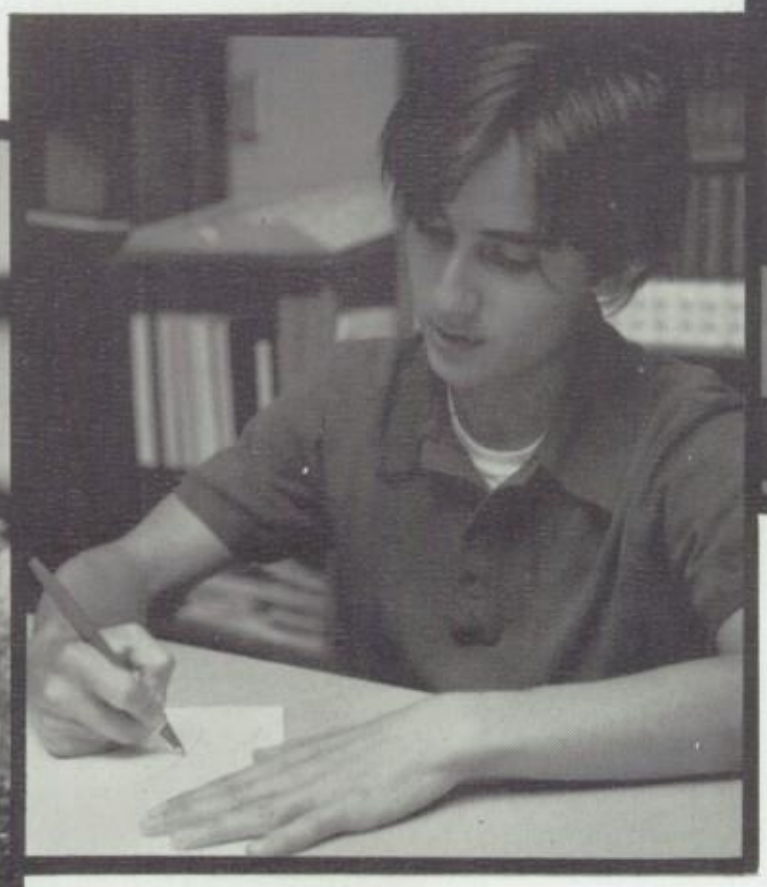
Another Journey Begins . . . . . .



Closer To Home . . . A journey to a place we're all trying to find. The 1973 Bruin is a step toward reaching that goal. But in order to reach your final destination you find that there are certain obstacles you must overcome along the way. We found this out as we started the production of the '73 Bruin. It started with the big decision of rearranging the sections of the book, would it be the traditional way or should we dare break tradition and change it? That's one of the major problems with people they are so afraid to try something new for fear it won't go right. How does one find out if they won't try anything different. So that's what we did. Eventually the sections molded together as one total unit. We had to do practically the same thing with the staff. Mold together before we could begin production, but, first we had to solve our differences. This was our greatest problem throughout the year. But all people are different, and they have different ideas and ways of doing things. So in order to work together we had to give a little more than we took. Getting to know one another and their ways and moods, and being able to communicate without yelling or blowing up was the step that brought us much closer to reaching our goal. The person specifically responsible for getting us together was Miss Pati Ishida. Without her creative ideas and determination to use those ideas the '73 Bruin would probably be still incomplete and stuffed on some shelf in room 75. But her push is just one of the memories we will have on our journey — the journey to a place full of new adventures, but with still a memory of the past . . . just one of our stops on the road that will take us Closer to Home . . . .

Karen Lujan

In the making of a school yearbook one comes across many problems. It is like a journey across an unknown land. . . . ahead are problems and tensions which create the mounting pressures one has never felt before. With different time limits and expectations, a deep feeling of obligation and unsureness overcomes one.

Once again the Publications Class of '73 experienced these feelings, but by working together we overcame many barriers. From these experiences we all learned many things about each other, and found that at many times there were many differences in our opinions.

One cannot describe the feeling felt after the final completion of a yearbook. For in this act you have also finished the journey that you set out to conquer in the beginning.

There are far too many individuals that helped make this task so much easier, so I will only say many thanks and wish upon you better things. My reward will be the completion of this book, and yours will be in knowing this would not have been possible without your support. I would like to especially say many thanks to our advisor Miss Ishida, our photographers, Mr. Myers and Dale Jones, and our annual publisher, Jack Cannicott.

To you, the students of Bloomington High, I only hope that you have enjoyed it, and that the experiences you have viewed and read about will long continue to be a part of the memories that come with life.

It has often been said that a book becomes great not when it is "good or bad" — but only when it absolutely cannot be ignored. For the '73 BRUIN that began in the year nineteen-hundred and seventy-three and hopefully will long continue to be as such.

Juventino Valdez

With much work ahead of us the Annual Staff started working on a book. This book will be what people make it, or do not make it. For some it will be what others make it for them. For some it will be nothing, they will look at it and never see it again. Others will be able to look through it and see friends and remember awards and accomplishments they have gained for themselves.

During this year a few people will receive many awards and recognition which they do not really care about. These individuals realize that they do not deserve or want the award, but want their name mentioned.

Until this year, I was never concerned how scholarships were distributed. After a while I began wondering how Girl and Boy State representatives, Bank of America, and other awards which are given to individual students.

With a little bit of researching, I have discovered an explanation, but it is far from an answer.

Boys' State selection is the new ASB President. I wonder, what would happen if we elected a girl ASB President? Girls' State selection is done by the teachers. With this system, you have two different ways of selecting these two people. The teachers select one and the students the other.

A new thing I learned about this year is Bank of America Award winners. Selection is done by department chairmen, and some of the teachers never have a chance to submit students names they feel deserve the honor. It should go further than the department chairmen; all the teachers should make the decision.

Now for the really touchy part, scholarships. Most people would love to receive a scholarship, but for many different reasons. Some really need the help to go to college, while others want to collect them as honorable methods of recognition, and never use any of them. I feel the scholarship should be awarded by another method. The question is should it be given to the one with the **highest** grade point average or to the person with a high grade point average and **desire?**

The discovery of these three things were by accident, and one cannot wonder if the methods of student recognition is the fairest way. Perhaps in the coming years, you as continuing BHS students can try to improve selection methods mentioned above and in other areas.

Since this is really the place that thank yous always go, I would like to thank most of all Miss Ishida, without her many hours of work after school and on weekends, and her much needed knowledge, we would still be trying to put it all together.

I would also like to thank Dale Jones, Rob Myers, and the loyal fifth period photography class, especially, Richard Wilkerson.

And the most thanks goes to the staff of BRUIN '73 without these fine, hard-working people there would not be an annual.

So now with all the work in back of us, we sincerely hope you enjoy the '73 BRUIN. And it will bring you a little "CLOSER TO HOME."
